IRNet-Conference Highlights | ICER 2010

International Conference on “Entrepreneurship Retention” was a dream project carried out by IRNet family to address the constraints faced by the new age entrepreneurs pertaining to affairs of legislation and management. Around 30 papers were received and after scrutiny 11 papers were forwarded for proceedings. Participants have attended from various parts of this country. From left Prof. Somodeep Sarkar (University of Erora), Prof. Ajay Kumar Garg (Toshwane University of Technology, South Africa) joined as the Dignitaries and magnified the concept of Entrepreneurship. In the second day of the conference the participants were sent to a sight-seeing trip for Puri and Konark.

From left Prof.Somodeep Sarkar (University of Erora), Prof. Ajay Kumar Garg (Toshwane University of Technology, South Africa)and Prof. Srikanta Pattanaik (President IRNet) occupying the chair at the

Inaugural of International Conference on Entrepreneurship Retention during 18th -19th December, 2010.
