## Highlights of International Conference on Information Technology and Management-ITM 2011 Ranchi Chapter Conference

Adding new feet to Interscience Research Network (IRNet), it conducted the first IRNet Chapter International conference outside the state capital Orissa at Ranchi the state capital of Jharkhand under the IRNet, Ranchi Chapter i.e., International Conference on Information Technology and Management, ICITM-2011. The conference was inaugurated by the Chief Guest Dr. Vandana Bhattacharya, HOD, Computer Science, Birla Institute of Technology, Lalpur. While addressing the session she uttered the necessity of bringing research activity at par with western countries. She expressed her happiness for IRNet. She said this kind of platform will certainly help the young researchers to find a platform for their work. Guest of Honour, Dr. Zuberi Ahmed, Coordinator, Management, Ranchi University congratulated IRNet for its new foot. He expressed his willingness to extend his support to IRNet in conducting more number of conferences in the region. He said research in the management area is gray and that more number of people should contribute in it.

The conference was attended by more than 30 participants from across the country including NIT Jamshedpur, JNTU, Hyderabad, NIT Roorkee, BIT Mesra, Jadavpur University West Bengal and other places. Coordinator of IRNet Ranchi Chapter, Prof. Eqbal Ahmed extended the vote of thanks. During the conference Secretary IRNet, Prof. Mritunjay Sharma and IRNet Conference Secretary, Prof. Pradeep Kumar Mallick was also present.
