Description

Papers for a special edition of the **International Journal of Smart Sensor and Adhoc Network (IJSSAN)** are being solicited to highlight research that tackles present and anticipated work futures in the fields of cloud computing, artificial intelligence, and cyber security. As pundits and academics increasingly note, these technologies directly or indirectly influence modern enterprises and individuals to provide the most incredible service possible. New-age technologies significantly affect various industries, including agriculture, banking, e-learning, retail, automobiles, etc. A more expansive approach, which we discuss in this special issue, sits somewhere in the middle, attempting to comprehend, develop, and enhance work performed with modern technologies. Finally, papers for the special issue might explore (but are not limited to) the following topics:

- AI
- Cloud Computing
- Cyber Securities
- Intelligent machines
- Impact of emerging technology on business.
- Computer Network
- Wireless Sensor Network
- Network Security
- Machine Learning on Network security
- Machine Learning on Cloud Security

Notes for Prospective Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere (N.B. Conference papers may only be submitted if the paper was not originally copyrighted and if it has been completely re-written). All papers are refereed through a double blind review process. A guide for authors, sample copies and other relevant information for submitting papers are available on the Submission of Papers page (https://www.interscience.in/ijssan/publication_ethics.html)

Note: Authors are required to submit their papers in the MS Word format at **editor.ijssan@interscience.ac.in** with a copy to the Secretary at **secretary@interscience.ac.in**, along with Copyright form (https://www.interscience.in/copyright_form_irnet.pdf). Please mention the title of the subject area to which you are submitting your paper. There is no publication fee (Free of Charge) for authors for publishing the article. The authors can submit the manuscript on https://www.interscience.in/cgi/submit.cgi?context=ijssan

Important Dates:

Opening the submission window: 1st November, 2022
Deadline for submission: 10th November 2022
First decision, author's notifications and revision: 15th November 2022
Final submission: 21st November 2022
Publication of the issue: 25th November 2022
